

Since 1884, the Bell Rings On!

2021-2022

Bad Weather Procedures

In case of inclement weather, or any emergency, the following Bad Weather Procedures and Emergency Communication System will be utilized:

The Bus Driver will review weather conditions and potential road safety concerns. The Administrative Consultant will contact Gillespie County Officials about road conditions and surrounding school districts about possible school closure. The Administrative Consultant and Bus Driver will share information.

The Administrative Consultant will determine all school closings and/or shortened days. The Board President will be notified of the decision. To the extent possible, telephone, radio, television, and internet notices will be posted. Immediately, the attached Emergency Communication System will be initiated.
