This Transfer Agreement establishes the terms and conditions for _____ (“student”) to attend Doss Consolidated Common School District (“District”) as a transfer student for the 2026-2027 school year.

The student’s parent or other person having lawful control of the student, _____ (“parent”), requests the student be permitted to attend Doss CCSD and agrees to the following terms/conditions for the transfer:

1. The following must be provided with the application: Report Cards, Attendance Records, Assessment Records, Special Program Data, and Discipline History.
2. This transfer is effective for the current school year only. District approval of this transfer creates no right or expectation that the student will be admitted as a transfer for any subsequent school year. All transfer students must reapply every school year.
3. This transfer is approved for the named student only. District approval of this transfer creates no right or expectation that another student from the same family will be admitted as a transfer.
4. The student must maintain acceptable levels of attendance and compliance with District rules and regulations, including the Student Code of Conduct, throughout the entire school year. Acceptable levels are defined as:
 - a. Academic Achievement that does not place the student at risk of losing credit for the year in more than one subject area, or at risk of being retained for the year;
 - b. Attendance that does not place the student at risk of losing credit under Education Code 25.092 or require the District to warn the parent and student of truancy proceedings under the Code.
 - c. Compliance with the District’s rules, including the Student Code of Conduct, such that no offenses result in removal to a disciplinary alternative education program or expulsion, and no more than two referrals are made within a grading period for other misconduct.
5. In accordance with Board policy FDA (LOCAL), the Superintendent or designee may revoke the transfer of a student who fails to maintain an acceptable level of attendance or compliance with District rules and regulations, including the Student Code of Conduct. Notice of revocation will be sent to the district of residence.
6. If this agreement is revoked, revocation ordinarily will be effective at the end of a semester; however, the Superintendent or designee has discretion to revoke the transfer immediately if the student’s continued attendance threatens the safety of other students or teachers or will be detrimental to the educational process.
7. The student and parent acknowledge that eligibility of transfer students for participation in any UIL activity or other activities governed by UIL rules and regulations will be determined in accordance with UIL rules and regulations.
8. Parents must take an active role in Doss CCSD school activities; including but not limited to attendance at school functions, such as the end of semester programs and the end-of-year program and fundraiser.
9. Bus transportation is a privilege and proper conduct is expected.

This survey shall be kept in each student's permanent record folder. A copy of this survey shall follow the student while enrolled in any public or open enrolled charter school in Texas.

Doss CCSD Surveillance Monitoring Notice 2026-2027

The Board of Trustees always has the safety and security of employees and students foremost in our priorities. Because of this, and in regard for being as prepared as possible, Doss CCSD has recently installed a series of security cameras on and around our campus. The main objective of these cameras is to ensure the safety of our students and employees, but they can also be used to monitor behavior, as needed. We believe that these cameras are in the best interest of everyone at Doss CCSD. Below is a mandatory notice that we are required by law to send to all employees and students. If you have any questions, you may contact the school office at 830.669.2411. Please sign and date the acknowledgement below for our records! **Thank you!**

NOTICE TO STUDENTS, EMPLOYEES, PARENTS AND GUARDIANS REGARDING VIDEO RECORDING MONITORING FOR SAFETY AND SECURITY

Please be advised that Doss CCSD has installed video recording equipment on District property to monitor safety and security of district students and employees. The video recordings may be used to monitor student behavior for safety purposes and to assist in maintaining order.

Under the Texas Education Code, the District may make a videotape of a student if the recording is to be used for the purposes of safety, including the maintenance of order and discipline in common areas of the school or on school buses.

The District will soon post notification signs around the school. Students and employees will not be notified when a recording device has been turned on or off. The Superintendent will review recordings as needed and will document any evidence of student or employee misconduct.

A student found in violation of the Student Code of Conduct will be subject to appropriate discipline. Recordings will be treated as protected student records under the Family Educational Rights and Privacy Act (FERPA). The following guidelines will apply:

1. Recordings will remain in the custody of Doss Consolidated Common School District.
2. Employees or guardians who wish to view a recording in response to disciplinary action taken against a student may request access under the procedures set out by law.

**Doss CCSD Surveillance Monitoring Notice
Security Camera Protocols
2026-2027**

PURPOSE:

Doss CCSD authorized the use of video cameras throughout the District for the purpose of enhancing school safety and security. The goals of the district are to promote and foster a safe and secure teaching and learning environment for students and employees, to ensure public safety for community members who visit school property and to diminish the potential for personal and district loss or destruction of property.

PROTOCOLS:

Signage and Notification: Signage will be posted at school to notify students, parents, employees, and the general public of the District's use of security cameras. Students, parents, and employees will receive additional notification at the beginning of the school year regarding the use of security cameras in the school and on the grounds. Notification will include, but not be limited to student and employee handbooks.

Camera Placement: The security cameras will be installed in public areas. These areas include, but are not limited to grounds, exterior entrances or exits to school buildings, large gathering spaces such as hallways, cafeteria, and main entries. Security cameras will not be used where there is a reasonable expectation of privacy, including, but not limited to restrooms, changing rooms, special spaces, or other private offices.

Video Viewing: Live viewing of camera surveillance will be used to identify visitors requesting entry to the main building. Live viewing will also be used for the arrival, transition, and dismissal of students in the main hallways and gathering spaces. Live viewing will be limited to authorized personnel that have been expressly designated by the Superintendent, including, but not limited to the Administrative Assistant.

The Superintendent will be responsible for viewing of all recorded surveillance. Viewing recorded data will occur only when there is a safety or security concern and may include the maintenance of order and discipline. No sound is to be monitored or recorded in connection with the video surveillance system. Recordings will be treated as protected records under Family Educational Rights and Privacy Act (FERPA).

Access to Recordings: Any video recordings used for security purposes in school buildings or grounds are the sole property of Doss CCSD. Release of such video will be made only as permissible pursuant to applicable laws and with the permission of the Superintendent. Law enforcement officials shall be granted access to video recording after giving prior notice to the Superintendent and Board of Trustees.

Data Storage: All video recordings are stored in a secure data cloud to avoid tampering and ensure confidentiality in accordance with applicable laws and regulations. At this time, recordings will be archived indefinitely. Doss CCSD will use a video surveillance service for maintenance of the security camera systems, and for the retrieval of recorded data if assistance is necessary.
