

Apart We Stand Together

Dear Parents, Guardians, and Community:

Though we are apart right now for our health and safety, we at Doss School continue to support each other as a community, and right now we must work together to fight the coronavirus. In order to help prevent the spread of COVID-19, Doss School will be reaching out to you via email, phone, text message, and social media over the next few weeks to share vitally important guidance.

Yesterday, Governor Abbott released an executive order that extended the closure of schools through the end of April. Additionally, he invited the entire state to follow guidance based on what scientists know about how to prevent the spread of COVID-19. It is our hope that you practice social distancing throughout this month, and will follow these practices and share them with your friends and family:

- Avoid close contact with people who are sick.
- Cover your cough or sneeze.
- Avoid touching your eyes, nose, and mouth.
- Clean and disinfect frequently.
- Wash your hands often with soap and water.
- Stay home when you are sick.

Thank you for what you are doing to educate your children at home and all the efforts you are making to keep your family healthy and safe. We know this is a difficult time. If we stand apart as a community during this time and follow the public health practices, we will be sharing over the coming days, we will be back together very soon. Please do not hesitate to contact me: pseipp@doss.txed.net .

Stay well,
Pam Seipp, Doss CCSD
Administrative Consultant
