

Apart We Stand Together
Doss School and Community:
Helping to Keep You Safe

**Greetings from the
Doss School Team**

Keeping you safe and educated is always our top priority, so we'd like to share some important facts about the coronavirus. We have said it before, but we want to continue to **spread the word, not the virus.**

Together we can slow the spread just by staying at home!

If you must go out, stay at least 6 feet away from others, and disinfect frequently touched surfaces like countertops and doorknobs whenever you return.

Wash your hands with soap and water for 20 seconds!

To keep from spreading germs, avoid touching your eyes, nose, or mouth and cover a cough or sneeze with your elbow. If you have symptoms of COVID-19 –call your doctor.

Apart We Stand Together, but we hope to see you all very soon!
