Apart We Stand Together Doss School and Community: Slow the Spread

**Stay Home:
"Just Do It"**

Together we can slow the spread just by staying at home!

Remember the importance of social distancing. If you must go out, avoid public spaces and keep your distance from others (at least 6 feet). If we continue to follow valuable public health guidance, fewer of our friends and family will be affected by COVID-19. [#StayHomeTexas](#)

We encourage you to do your schoolwork while staying home!

Remember the value of learning. While you are at home follow the instructions of your parents and teacher to complete schoolwork. Return assignments as soon as possible. We release progress reports soon and want to give everyone credit for learning. [#DoYourWork](#)

Apart We Stand Together, but we hope to see you all very soon!
