

THE DOSS SCHOOL

CONSOLIDATED COMMON SCHOOL DISTRICT

"Let's Taco 'Bout Learning!"

This year's TACO theme reminds us that a school is a lot like a taco—many different ingredients working together to create something special. Students, employees, families, and community members each bring something important to the table. Although our talents, responsibilities, and contributions may differ, every person plays an important role in the success of Doss School.

A great taco is not better simply because it has more ingredients; what matters is how well those ingredients work together. The same is true of a school. New programs and resources can be helpful, but lasting improvement is built through strong instruction, meaningful relationships, shared responsibility, and a commitment to supporting one another.

Student success—like a great taco—is built one ingredient at a time. Growth comes through consistent effort, high expectations, creativity, and perseverance. Because each student brings unique strengths and needs to the table, the recipe may look different for every child. However, our commitment remains the same: to help every student learn, grow, and reach their full potential.

At Doss School, our recipe for success includes dedicated employees, hardworking students, supportive families, and an engaged community. When everyone contributes, works together, and keeps students at the center of our efforts, we have all the ingredients needed for a successful school year.

"Every Taco Needs Every Ingredient"

AUGUST DATES

F.O.D.S. Lunch	25th (TBD)

SEPTEMBER BIRTHDAYS

Chris McInire.....	16th
Blane Neffendorf.....	18th
Kimberly Swanner	29th

Get Involved at Doss School

The continued success of Doss School is strengthened by the involvement of our parents and community members. Because we are a small district, every volunteer makes a meaningful difference. Many of the programs, activities, and traditions that make Doss special are possible because people generously share their time, ideas, and talents.

There are several ways to get involved this year:

- **District Improvement Committee (DIC):** Provide input on district goals, student needs, programs, and improvement priorities as we plan for the future.
- **School Health Advisory Council (SHAC):** Offer recommendations related to student health, wellness, nutrition, physical activity, and the overall well-being of our students.
- **Friends of Doss School:** Join an organization that supports students and staff throughout the year. Friends of Doss School organizes the annual School Picnic and helps with student activities, special events, staff appreciation, campus projects, and other school needs.
- **School Activities and Projects:** Volunteer with classroom activities, special programs, campus projects, and other opportunities throughout the school year.

We understand that everyone's schedule is different, and volunteering does not have to require a major or yearlong commitment. You may serve on a committee, help with a single event, complete a project from home, or volunteer as your schedule allows. Every contribution is appreciated.

We would love to welcome more parents and community members who want to be part of what makes Doss School special. Whether you have a little time or a lot, your involvement helps strengthen our programs, traditions, and school community. Please consider sharing your time and talents with us this year—we would be grateful for your support!

To volunteer or learn more, please contact the school.

Mission

Doss CCSD will create and sustain an environment to inspire curiosity, respect tradition, and embrace excellence.

Welcome Back to Doss School!

Welcome to the 2026–2027 school year! Although a few members (Mrs. Bauer and myself) worked throughout the summer preparing for the year ahead, The Doss School simply is not the same until our students, teachers, staff, and families are all back together.

We have been busy making several improvements to our campus. This summer, we completed the painting project in the main building and installed new carpet in all classrooms. These upgrades have helped create fresh, welcoming spaces where our students can learn and grow.

We are also pleased to welcome Savannah Franek to the Doss School team. We are excited about the enthusiasm, talent, and support she will bring to our students and staff.

As we begin a new year, our commitment remains the same: to provide every student with a safe, supportive, and engaging learning environment. We look forward to working alongside our families and community to make the 2026–2027 school year one filled with learning, growth, and memorable experiences.

Welcome back—we are glad you are here!

Joe Geletka
Superintendent
Doss CCSD

Back-to-School Picnic

Join us for a Back-to-School Picnic on **Thursday, August 27, from 11:45 a.m. to 12:15 p.m.** Families are welcome to join their students for hot dogs, refreshments, and a little lunchtime fun as we celebrate the start of a great school year!

GO BOBCATS!
