From the Desk of the Superintendent

As we enter this season of gratitude, I'm reminded just how special Doss School truly is. Every day, I see our mission in action—students learning with curiosity, teachers leading with heart, and a community that supports one another like family.

Our small size is our greatest strength. It allows us to know every child, celebrate their growth, and build the kind of connections that make learning meaningful. From morning greetings to afternoon goodbyes, our school is filled with moments that reflect who we are—kind, creative, and committed to helping each student reach their full potential.

This November, I'm especially thankful for our students, staff, and families who make Doss CCSD such an inspiring place to learn and grow.

With appreciation,

Joe Geletka
