Parents, Guardians, and Staff

Via Electronic Mail and Social Media

In keeping with Doss CCSD's practices to respond to COVID-19, we are notifying all student families that a District Employee who was lab-confirmed to have COVID-19 was present in the district on Wednesday, January 19th. Due to privacy requirements, we will not release the name of the individual or details that may identify him or her.

We are working closely with the local health department on this matter. After careful review, we have determined that the COVID-positive person did not come into contact with all students, staff, or areas accessed by students or staff. On campus learning will continue for most, with all close contacts notified of the required quarantine.

Students and staff that came into close contact will be directly notified no later than Thursday, January 20th. Those that were in close contact will remain off campus for up to 10 days to ensure they do not have the virus, so that there will not be any further spread. We will keep you apprised of further updates.

While we do not have reason to believe that those who were not in close contact with the infected individual have reason to be concerned, we ask that you, as always, to watch for symptoms of COVID-19.

Any of the following symptoms indicate a possible COVID-19 infection:

- ✓ Temperature of 100.4 degrees Fahrenheit or higher when taken by mouth;
- ✓ Sore throat;
- ✓ New uncontrolled cough that causes difficulty breathing (or, for students with a chronic allergic/asthmatic cough, a change in their cough from baseline);
- ✓ Diarrhea, vomiting, or abdominal pain; or
- ✓ New onset of severe headache, especially with a fever.

If you or any member of the community does begin experiencing any of these symptoms in a way that his not typical, we encourage you to contact your physician. We encourage anyone in the Doss CCSD community who is lab-confirmed to have COVID-19 to please notify our school by contacting 830-669-2411.

If you have questions or concerns, please reach out with a call or email to Pam Seipp: pseipp@doss.txed.net.

Sincerely,

Administrative Consultant
