Dear Parent or Guardian:

Via Electronic Mail

Attached you will find the 2021–2022 School Report Card for Doss Consolidated Common School District. This is a report required by the Texas Legislature and prepared by the Texas Education Agency. It is to be sent to every parent or guardian of an enrolled student.

The report provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR®), as well as information on student enrollment, class size averages, and financial expenditures.

The report for our school may or may not have all the information described because the information presented depends on a specific number of factors. State law requires that the school report card display information about the state, the district, and the school.

The School Report Cards can be found online at:

https://tea.texas.gov/Student_Testing_and_Accountability/Accountability/State_Accountability/Performance_Reporting/School_Report_Cards .

A more complete report about Doss CCSD, the Texas Academic Performance Report (TAPR), is available by contacting the office or can be accessed online at:

<https://rptsvr1.tea.texas.gov/perfreport/tapr/index.html> .

Please contact the district office, or a teacher, if you have any questions concerning this report card. This letter and report card are electronically mailed. Should you desire a printed copy, please let us know. Thank you for your continued support of Doss Consolidated Common School District.

Sincerely,

Interim Superintendent

Accountability Ratings

This measures how much students are learning in each grade and whether or not they are ready for the next grade. It also shows how well a school or district prepares their students for success after high school in college, the workforce, or the military. State accountability ratings are based on three domains: Student Achievement, School Progress, and Closing the Gaps. Scores are scaled from 0 to 100 to align with letter grades.

2021–22 School Report Card (SRC) Definitions

Districts and campuses receive an overall rating, as well as a rating for each domain. The rating labels for districts and campuses are as follows.

- **A, B, or C:** Assigned for overall performance and for performance in each domain to districts and campuses (including those evaluated under alternative education accountability [AEA]) that meet the performance target for the letter grade.
- **Not Rated: Senate Bill 1365:** Assigned in 2022 for overall performance to districts and campuses that do not meet the performance target to earn at least a C.
- **Not Rated: Data Under Review** indicates data accuracy or integrity may have compromised performance results, making it impossible to assign a rating. The assignment of a *Not Rated: Data Under Review* label is temporary while the data are reviewed.
- **Not Rated: Data Integrity Issues** indicates data accuracy or integrity have compromised performance results, making it impossible to assign a rating. The assignment of a *Not Rated: Data Integrity Issues* label is permanent.
- **Not Rated: Annexation** indicates that the campus is in its first school year after annexation by another district and, therefore, is not rated, as allowed by the annexation agreement with the agency.
- **Not Rated:** Indicates that a district or campus does not receive a rating for one or more of the following reasons:
 - The district or campus has no data in the accountability subset.
 - The district or campus has insufficient data to assign a rating.
 - The district operates only residential facilities.
 - The campus is a juvenile justice alternative education program (JJAEP).
 - The campus is a disciplinary alternative education program (DAEP).
 - The campus is a residential facility.
 - The commissioner otherwise determines that the district or campus will not be rated

2021–22 School Report Card (SRC) Definitions

Annual Dropout Rate: Annual Dropout Rate (Gr 9–12) is reported for high schools only. The annual dropout rate is the number of students who dropped out (in grades 9–12) expressed as a percentage of the number of students in attendance in grades 9–12 at any time during the 2020–21 or 2019–20 school years.

Attendance Rate: The percentage of days that students were present based on student attendance for the entire school year. Only students in grades 1–12 are included in the calculation.

Class Size Averages: Class sizes are calculated from teacher class schedules. For example, the total count of students in science is divided by the count of science classes. Elementary classes are shown by grade; secondary classes are shown by subject.

College, Career, and Military Ready: The percentage of annual graduates who demonstrated college, career, or military readiness (CCMR) by meeting at least one of the nine criteria provided in Chapter 2 of the [2022 Accountability Manual](#). Please note, CCMR outcomes for 2020–21 military enlistment data are excluded from accountability calculations.

Distinction Designations: Distinction designations are awarded in recognition of outstanding achievement in specific areas.

Economically Disadvantaged: The percentage of economically disadvantaged students is the count of students that are eligible for free or reduced-price lunch or other public assistance divided by the total number of students.

Emergent Bilingual/EL: Students whose primary language is other than English and who are in the process of acquiring English.

Expenditures per Student: This is calculated as total expenditures for 2020–21 divided by the total membership for 2020–21. For more information, contact the Office of School Finance at 512-463-9238. For a detailed report, see the 2020–21 PEIMS Financial Actual Reports at <http://tea.texas.gov/financialstandardreports/>.

Federal Graduation Rate (4-Year): This indicator shows the status of students after four years in high school and uses the National Center for Education Statistics (NCES) dropout definition and the federal calculation for graduation rate. For further information, see the report [Secondary School Completion and Dropouts in Texas Public Schools 2020-21](#).

Instructional Expenditure Ratio: This is calculated as instructional and related expenditures for 2020–21 divided by total expenditures for 2020–21. For more information, contact the Office of School Finance at 512-463-9238. For a detailed report, see the 2020-2021 PEIMS Financial Actual Reports at <http://tea.texas.gov/financialstandardreports/>.

Instructional Staff Percent: The percentage of the district's full time employees (FTEs) whose job function was to provide classroom instruction directly to students during the 2020–21 school year. For more information, contact the Office of School Finance at 512-463-9238.

Longitudinal Rates: These indicators show the status of students after four years in high school (4-Year Longitudinal Rate), after five years in high school (5-Year Extended Longitudinal Rate), or after six years in high school (6-year Extended Longitudinal Rate). The four-year rate includes students who first attended ninth grade in 2017–18, showing their final status with the Class of 2021. The five-year rate includes students who first attended ninth grade in 2016–17, showing their final status at the end of 2021. The six-year rate includes students who first attended ninth grade in 2015–16, showing their final

2021–22 School Report Card (SRC) Definitions

status at the end of 2021. These show the percentage of students who graduated, received a Texas Certificate of High School Equivalency (TxCHSE), continued high school, or dropped out.

Membership: See Total Students.

Mobility Rate: The percentage of students who have been in membership at a school for less than 83 percent of the school year (i.e., missed six or more weeks).

Race/Ethnicity: Students are reported as African American, Hispanic, White, American Indian, Asian, Pacific Islander, and two or more races.

RHSP/DAP Graduates: The percentage of graduates who, after four years, were reported as having satisfied the course requirements for the Recommended High School Program (RHSP) or Distinguished Achievement Program (DAP). It excludes FHSP graduates.

RHSP/DAP/FHSP-E/FHSP-DLA Graduates: The percentage of graduates who, after four years, were reported as having satisfied the course requirements for the Recommended High School Program (RHSP), Distinguished Achievement Program (DAP), Foundation High School Program (FHSP) with an endorsement (FHSP-E) or the distinguished level of achievement (FHSP-DLA).

SAT/ACT Results: The report provides three indicators: (1) Tested shows the percentage of 2020–21 and 2019–20 graduates who took either the SAT or the ACT, (2) Average SAT Score for 2019–20 and 2020–21 graduates, and (3) Average ACT Score for 2019–20 and 2020–21 graduates.

Special Education: The population of students served in special education programs.

STAAR: The State of Texas Assessments of Academic Readiness (STAAR®) is a comprehensive testing program for public school students in grades 3–8 or high school courses with end-of-course (EOC) assessments. The STAAR program is designed to measure to what extent a student has learned, understood, and is able to apply the concepts and skills expected at each tested grade level, or after each course for which an EOC assessment exists. Students are assessed in reading (grades 3–8), mathematics (grades 3–8), science (grades 5 and 8), and social studies (grade 8). End-of-course assessments are given for English I and II, Algebra I, Biology, and U.S. History. Measures for the STAAR are shown: STAAR Percent at Approaches Grade Level Standard or Above, Meets Grade Level Standard or Above, and Masters Grade Level.

Total Students: This is the total number of public school students who were reported in membership on the October 29th, 2021 snapshot, at any grade from early childhood education through grade 12. Membership differs from enrollment because it does not include students who are served by the district for less than two hours per day. For example, the count of Total Students excludes students who attend a non-public school but receive some services, such as speech therapy, for less than two hours per day from their local public school.

Special Symbols: The 2021–22 SRC uses the following special symbols:

- An asterisk (*) is used to mask small numbers to comply with the federal Family Educational Rights and Privacy Act (FERPA).
- A dash (-) indicates there were no observations reported for this group.
- n/a indicates that the data are not available or are not applicable.
- A question mark (?) indicates data that are statistically improbable or were reported outside of a reasonable range.
