Framework for School Board Development

Preamble: The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and in the future in the social, economic, and educational opportunities of our state and nation (Education Code 4.001).

The board of trustees is the governing body for Texas public schools. To effectively meet the challenges of public education, school boards and superintendents must function together as a governance leadership team. Each leadership team will annually assess its development needs both as a corporate body and as individuals. As a team, they will focus on the improvement of locally developed student outcomes and provide support for opportunities and experiences through vision and goals, systems and processes, progress and accountability, advocacy and engagement, and synergy and teamwork. Teams ensure that their districts provide equitable and effective educational programs and services for all students. The Framework for School Board Development has been approved by the State Board of Education to provide the critical areas of development for all public school boards.

1. Vision and Goals — The board ensures creation of a shared vision and locally developed, measurable goals that improve student outcomes and provide support for opportunities and experiences. The board:
 - Keeps the district focus on the well-being of all children.
 - Adopts a shared vision that incorporates input from the community to reflect local aspirations as well as present and future needs for all children.
 - Ensures that the vision aligns with the state's mission, objectives, and goals for education established by law and/or rule.
 - Adopts a reasonable number of specific, quantifiable, research-based, and time-bound goals that align with state law, are developed with community input, and support the vision to improve student outcomes.
 - Embraces, supports, and fulfills the vision that all students receive what they need to learn, thrive, and grow, including resources, opportunities, and experiences.
 - Uses the vision and goals to drive all deliberations, decisions, and actions.
2. Systems and Processes — The board ensures systems and processes are in place to accomplish the vision and goals. The board:
 - Regularly develops, reviews, and adopts board policies for effective support of the district's vision and goals.
 - Approves a budget that aligns with and maximizes resources to fulfill the district's vision and goals.
 - Monitors multiple, measurable elements of student progress and achievement throughout the year.

- Incorporates equity when making decisions and evaluating systems and processes.
 - Focuses its actions on following board operating procedures while providing oversight of the superintendent, policymaking, planning and goal setting, progress monitoring, and evaluation, while avoiding involvement in daily operations and management.
 - Approves goals, policies, and programs that ensure a safe and secure learning environment.
 - Ensures the equitable distribution of resources, opportunities, and experiences based on the diverse needs of students and schools.
 - Adopts a planning calendar and engages in a decision-making process consistent with state law and rule to help achieve the district's vision.
 - Ensures that the district's planning and decision-making process enables all segments of the community, families, and staff to meaningfully contribute to achieving the district's vision.
 - Welcomes and values all people and cultures as important stakeholders in the process for student success.
 - Ensures the district has a system that monitors for sound business and fiscal practices.
 - Adopts policies regarding hiring, assigning, appraising, terminating, and compensating school district personnel in compliance with state laws and rules.
 - Ensures the district adopts a protocol regarding the recruitment, determination of professional development needs, building of leadership capacity, and retention rates for the district's teachers.
 - Fulfills the statutory duties of the local board of trustees and upholds all laws, rules, ethical procedures, and court orders pertaining to schools and school employees.
3. Progress and Accountability — The board sets clear goals, provides resources and support, evaluates goal attainment, and engages in ongoing objective feedback on progress and commitments. The board:
- Holds itself accountable to its adopted vision, goals, commitments, and operating procedures.
 - Ensures progress toward achievement of district goals through systematic, timely, and comprehensive review of relevant reports and student data that illustrate progress toward locally developed student outcome goals.
 - Ensures equity throughout the system by regularly identifying inequities, updating policies, and appropriately distributing resources.

If a Board member is not acting in his or her official capacity, the Board member has no greater right to District records than a member of the public.

An individual Board member shall not have access to confidential student records unless the member is acting in his or her official capacity and has a legitimate educational interest in the records in accordance with policy FL.

**Referring
Complaints**

If employees, parents, students, or other members of the public bring concerns or complaints to an individual Board member, he or she shall refer them to the Superintendent or another appropriate administrator, who shall proceed according to the applicable complaint policy. [See (LOCAL) policies at DGBA, FNG, and GF]

When the concern or complaint directly pertains to the Board's own actions or policy, for which there is no administrative remedy, the Board member may request that the issue be placed on the agenda.

**Visits to District

A Board member shall adhere to any posted requirements for visitors to first report to the main office of a District facility, including a school campus. If an open meeting is continued to the following regular business day and, on that following day, the board continues the meeting to another day, the board must give the required written notice of the meeting continued to that other day. *Gov't Code 551.0411(a)*

Inquiry During Meeting

Any deliberation of or decision about the subject of the inquiry shall be limited to a proposal to place the subject on the agenda for a subsequent meeting. *Gov't Code 551.042*

Time and Accessibility of Notice

The notice of a meeting of a board must be posted in a place readily accessible to the general public at all times for at least 72 hours before the scheduled time of the meeting, except as provided at Emergency Meeting or Emergency Addition to Agenda, below. A district that contains all or part of the area within the corporate boundaries of a municipality with a population of 48,000 or more

must also concurrently post the agenda for the board meeting on the district's internet website.

The validity of a posted notice of a meeting or an agenda by a board subject to these provisions that made a good-faith attempt to comply with these requirements is not affected by a failure to comply that is due to a technical problem beyond the control of the district.

Gov't Code 551.056

[See CQA for other website posting requirements.]

**Specificity of
Agenda/Notice**

Agendas for all meetings must be sufficiently specific to inform the public of the subjects to be discussed at the meeting, setting out any special matters to be considered or any matter in which the public has a particular interest. *Cox Enterprises, Inc. v. A board may not deliberate or take action on a matter at a meeting for which notice or supplemental notice is posted as described above other than:

1. A matter directly related to responding to the emergency or urgent public necessity identified in the notice or supplemental notice of the meeting; or
2. An agenda item listed on a notice of the meeting before the supplemental notice was posted.

An emergency or urgent public necessity exists only if immediate action is required of a board because of:

1. An imminent threat to public health and safety, including a threat described in item 2, below, if imminent; or
2. A reasonably unforeseeable situation, including:
 - a. Fire, flood, earthquake, hurricane, tornado, or wind, rain, or snow storm;

Computer-based videoconferencing applications may specify unique minimum requirements for computer central processing units, memory, and video capability to run the computer-based videoconferencing application. A board shall comply with these minimum requirements.

If the videoconference call hosts a public audience at a location or locations specified by the official notice of the open meeting posted in compliance with Open Meetings Act requirements, then the dis-

The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

If the employee did not receive the relief requested at Level One or if the time for a response has expired, the employee may request a conference with the Superintendent to appeal the Level One decision.

If, however, the Superintendent heard the complaint at Level One, the employee shall bypass Level Two and proceed to Level Three.

If the employee did not receive the relief requested at the preceding level or if the time for a response has expired, the employee may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written response or, if no response was received, within ten days of the response deadline.

The Superintendent shall inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent shall provide the Board the record of the Level One complaint and, if applicable, the Level Two appeal.

The records shall include:

1. The original complaint form, any attachments, and all other documents submitted by the employee.
2. The notice of appeal from Level One.
3. The written response issued at Level One and, if applicable, Level Two.

The appeal shall be limited to the issues and documents considered at the preceding level, except that if at the Level Three hearing the administration intends to rely on evidence not included in the record from the preceding level, the administration shall provide the employee notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the employee and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall

hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

The Level Three presentation, including the presentation by the employee or the employee's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at the preceding level.

Consolidating
Complaints

Complaints arising out of an event or a series of related events shall be addressed in one complaint. A student or parent shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

Untimely Filings

All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the student or parent, at any point during the complaint process. The student or parent may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

Costs Incurred

Each party shall pay its own costs incurred in the course of the complaint.

Complaint and
Appeal Forms

Complaints and appeals under this policy shall be submitted in writing on a form provided by the District.

Copies of any documents that support the complaint should be attached to the complaint form. If the student or parent does not have copies of these documents, copies may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the student or parent unless the student or parent did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiled is within the designated time for filing.

Level One

Complaint forms must be filed with the Superintendent or designee within 15 days of the date the student or parent first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance.

The Superintendent or designee shall investigate as necessary and schedule a conference with the student or parent within ten

days after receipt of the written complaint. The Superintendent or designee may set reasonable time limits for the conference.

Absent extenuating circumstances, the Superintendent or designee shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the student or parent did not receive the relief requested at Level One or if the time for a response has expired, the student or parent may request a conference with the Superintendent to appeal the Level One decision.

If, however, the Superintendent heard the complaint at Level One, the student or parent shall bypass Level Two and proceed to Level Three.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Superintendent. The student or parent may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the student or parent at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the student or parent may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent may set reasonable time limits for the conference.

The Superintendent shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the student or parent did not receive the relief requested at the preceding level or if the time for a response has expired, the student or parent may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written response or, if no response was received, within ten days of the response deadline.

The Superintendent shall inform the student or parent of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent shall provide the Board the record of the Level One complaint and, if applicable, the Level Two appeal.

The records shall include:

1. The original complaint form, any attachments, and all other documents submitted by the student or parent.
2. The notice of appeal from Level One.
3. The written response issued at Level One and, if applicable, Level Two.
4. All other documents relied upon by the administration in reaching the Level One decision and, if applicable, the Level Two decision.

The appeal shall be limited to the issues and documents considered at the preceding level, except that if at the Level Three hearing the administration intends to rely on evidence not included in the record from the preceding level, the administration shall provide the student or parent notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the student or parent and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the student or parent or the student's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at the preceding level.

 - a. The tape recording must be complete, audible, and clear; and

State, 807 S.W. 2d 577 (Tex. Cr. App. 1991)*

Note: Public complaints regarding instructional and library materials are addressed at EF and complaints against peace officers are addressed at CKE.

Complaints

In this policy, the terms “complaint” and “grievance” shall have the same meaning.

Other Complaint Processes

Complaints by members of the public shall be filed in accordance with this policy, except as required by the policies listed below. Some of these policies require appeals to be submitted in accordance with GF after the relevant complaint process:

1. Complaints concerning instructional resources shall be filed in accordance with the EF series.
2. Complaints concerning a commissioned peace officer who is an employee of the District shall be filed in accordance with CKE.

Complaints regarding refusal of entry to or ejection from District property based on Education Code 37.105 shall be filed in accordance with this policy. However, the timelines shall be adjusted as necessary to permit the complainant to address the Board in person within 90 calendar days of filing the initial complaint, unless the complaint is resolved before the Board considers it. [See GKA(LEGAL)]

Guiding Principles

Informal Process

The Board encourages the public to discuss concerns with an appropriate administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Formal Process

An individual may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, individuals are encouraged to seek informal resolution of their concerns. An individual whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or “mini-trial” at any level.

Freedom from Retaliation

Neither the Board nor any District employee shall unlawfully retaliate against any individual for bringing a concern or complaint.

General Provisions

The District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If the individual fails to appear at a scheduled conference, the District may hold the conference and issue a decision in the individual’s absence.

If, however, the Superintendent heard the complaint at Level One, the individual shall bypass Level Two and proceed to Level Three.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Superintendent. The individual may request a copy of the Level One record.

Level Three

If the individual did not receive the relief requested at the preceding level or if the time for a response has expired, he or she may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written response or, if no response was received, within ten days of the response deadline.

The Superintendent shall inform the individual of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The records shall include:

1. The original complaint form, any attachments, and all other documents submitted by the individual.
2. The notice of appeal from Level One.
3. The written response issued at Level One and, if applicable, Level Two.
4. All other documents relied upon by the administration in reaching the Level One decision and, if applicable, the Level Two decision.

The appeal shall be limited to the issues and documents considered at the preceding level, except that if at the Level Three hearing the administration intends to rely on evidence not included in the record from the preceding level, the administration shall provide the individual notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the individual and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall

Trespass

An unauthorized person who trespasses on the grounds of a school district commits a Class C misdemeanor. *Education Code 37.107*

**Refusal of Entry or
Ejection of
Unauthorized
Persons**

A school administrator, school resource officer, or school district peace officer may refuse to allow persons to enter on or may eject a person from property under the district's control if the person refuses to leave peaceably on request and:

1. The person poses a substantial risk of harm to any person; or
2. The person behaves in a manner that is inappropriate for a school setting and:
 - a. The administrator, resource officer, or peace officer issues a verbal warning to the person that the person's behavior is inappropriate and may result in the person's refusal of entry or ejection; and

Identification may be required of any person on property under the district's control.

A district shall maintain a record of each verbal warning issued, including the name of the person to whom the warning was issued and the date of issuance.

At the time a person is refused entry to or ejected from a school district's property, the district shall provide to the person written information explaining the appeal process.

If a parent or guardian of a child enrolled in a school district is refused entry to the district's property, the district shall accommodate the parent or guardian to ensure that the parent or guardian may participate in the child's admission, review, and dismissal committee or in the child's team established under Section 504, Rehabilitation Act of 1973 (29 U.S.C. Section 794), in accordance with federal law.

The term of a person's refusal of entry to or ejection from a school district's property under this section may not exceed two years.

A district shall post on the district's website and each district campus shall post on any campus website a notice regarding these provisions, including the appeal process.

The board shall adopt a policy that uses the district's existing grievance process [see FNG, GF] to permit a person refused entry to or

ejected from property controlled by the district to appeal such refusal of entry or ejection. The policy must permit a person appealing under this section to address the board in person within 90 days of the commencement of the appeal, unless the appeal is granted before the board considers the appeal.

The board's decision to grant or deny an appeal under this section is final and may only be further appealed under the applicable provisions of Texas Education Code 7.057.

Education Code 37.105; 19 TAC 103.1207
