## Celebrating 140 Years!

## **RLA WORDS:**

1. **Acme**-the highest point or stage.
2. **Efflorescence**-the action or process of developing and unfolding as if coming into flower.
3. **Grandiose**-characterized by affectation of grandeur or splendor.
4. **Stupendous**-causing astonishment or wonder.

## **MATH WORDS:**

1. **Area**-the amount of space taken up by a shape (length x width).
2. **Obtuse Angle**-an angle measuring more than 90 degrees.

## **SCIENCE WORDS:**

1. **PH**-a measure of the acidity or alkalinity (base) something has. Usually measured from 0 to 14, 7 being neutral.
2. **Soil**-a mixture of water, air, tiny bits of rock and humus (plant and animal material).
