Greetings!

Dear Friends and Families,

I am excited! I am excited about the start of a new school year. Excited about building new relationships with students, staff and families. Most of all, I am excited about the possibilities for each and every student attending Doss CCSD. Together, let's make the 2024-2025 school year the best one yet. One school, one community, pursuing greatness while honoring traditions. With outstanding staff paired with supportive stakeholders, the possibilities are endless.
