Election 2024!

CAPTAIN AMERICA VS. WONDER WOMAN FOR PRESIDENT

Students at the Doss School have been learning about the election and politics as the 2024 U.S. Presidential election is upon us. This year the two candidates, Captain America and Wonder Woman, are in a close race to see who will become the next president of the school. Beyond learning about the requirements to become president and our nation’s political processes, students participated by; making campaign signs, participating in political rallies, and making phone calls campaigning for their candidates. Election Day is Tuesday, November 5th, when students at the school will be casting their vote. Good luck Captain America and Wonder Woman!

Hudson and Abigail show off their campaign signs

Dustin and Jesse give a speech to promote their candidate, Captain America

SPLATTER EXPERIMENT

Mr. Neffendorf lead students in a *Splatter Experiment* to demonstrate principles of Motion and Force (Newton’s Second Law). Students hypothesized the affects of splat size when paint soaked cotton balls were either gently dropped or thrown hard on a paper surface.
