

THE DOSS SCHOOL

CONSOLIDATED COMMON SCHOOL DISTRICT

Wildflower Stomp

NOVEMBER IS THE TIME TO PLANT WILD- FLOWERS IN TEXAS

Students at Doss Consolidated Independent School District recently participated in an exciting and educational Wildflower Stomp, an event that combines the beauty of nature with a sense of adventure. Held on the district's grounds, this outdoor activity gave students the opportunity to engage in an annual Texas tradition, with a special focus on the vibrant wildflowers come Spring. Students planted a combination of Bluebonnets, Texas Wildflowers, and a pollinator blend. Looking ahead, the school is planning future farming projects to further engage students in hands-on learning about agriculture and the environment.

DECEMBER DATES
